Internet Technology Lab Test

Create a folder named: **your-group_your-last-name_C12345**
*Please replace **your-group** by your group name and **your-last-name** with your own name as it appears on your student ID card and similarly replace C12345 with your student ID*

The lab test is to consider the images of browser displays in the following pages and create the equivalent using HTML and CSS.

All the details on the images, including the explanatory notes should be included, however, where indicated please substitute your own name, student ID and group.

At the end of the lab test

1. Right-mouse click on your lab test folder and *Click at Send to>Compressed (zipped) Folder*
2. Email the zip folder to ajoshi@thebritishcollege.edu.np

Good luck.

The HTML and CSS code for the following image should be saved in **page1.html** and **page1.css** respectively.
